

Stream-wise Applications Received

Stream Applied	Total Applicants	Boys	Girls
Science	14	9	5
Commerce	7	3	4
Humanities	7	2	5
Total	28	14	14

Since no vacancy was available in the Science stream, the 14 applicants seeking admission to the Science stream could not be accommodated.

Accordingly, based on merit, eligibility, the prescribed admission criteria, the applicants' stream preferences, and the availability of vacant seats, the Committee resolved the following stream allocation:

Note: -1. If any student not take the admission from the selected students in Humanities then the seat will be filled from the waiting list as per the merit.

2. "The Admission Committee has decided to give first priority in the selection process to students of our own school."

The remaining applicants could not be considered for admission due to the non-availability of vacant seats and/or non-fulfilment of the prescribed eligibility criteria.

The Committee unanimously approved the above stream allocation. It was further resolved that all admissions shall remain **subject to the verification of original documents and compliance with the admission guidelines issued by the competent authority.**

The resolution was passed unanimously by all members present at the meeting.
